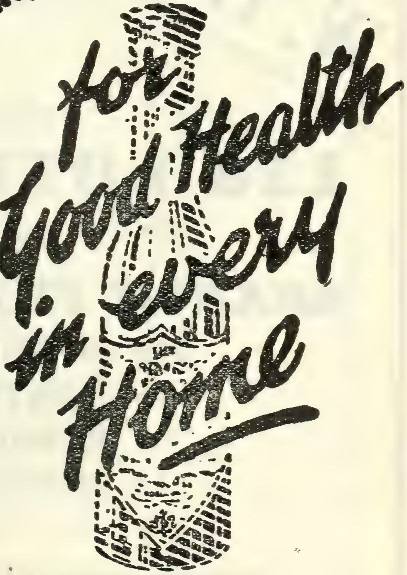
"PRIMROSE" OLIVE OIL

Olive Oil is recommended for toning up the system and nourishing the tissues. But it is of little avail when the oil taken is of the lower grades commonly sold. An easy way to make certain that the oil will have the desired results is to ask for "PRIMROSE" OLIVE OIL and accept no other. The difference in quality and flavour is wonderful.



for Good Health in every Home

In 10½d., 1/3, 2/3 and 4/- bottles, of chemists or direct. Unrivalled as a food-laxative for young and old; delicious with salads, too.

COLOUR PRINTERS ✤ MANUFACTURING STATIONERS
92 GEORGE STREET

. . . Our consistent policy has been to maintain a **central** printing office and warehouse for the service of our many customers. For over fifty years shop, office, warehouse, and works have been at 92 George Street. Modern methods, new machinery, and an expanding business required more space and necessitated larger works. In 1935 our new works in Rose Street were completed and occupied. They are entirely new and are equipped with the most modern machinery and plant for the production of good printing and stationery. The works are connected by a bridge to our George Street premises, and so we continue to maintain under the best of conditions that central, complete, and quick service which is so necessary to buyers of printing and stationery.
